Allen,

As I have been out of the office you may have already had input from FOB. I do not know of any compliance issues at this facility.

Thanks, Deb

We are conducting a CHR on the Duke Energy – Marshall Steam Station Industrial Landfill Facility, Permit number 18-09. Are you aware of any current compliance issues for this facility?

Thanks,  
Allen

Please note, this email and any responses to this email will be going into Documentum to document the CHR process.
